“Ka Huaka'i 'Imi 'Ike”

Date: Wednesday, May 1, 2019

Time: 8:30 a.m.

Location: George L.T. Kerr Lookout
(Main Campus)

Theme: Our theme this year is “Ka huaka'i `imi `ike” meaning “The journey to seek knowledge”. This theme is a nod to our recent Impact Term which our high school and middle school students participated in this year with the continued realization that learning can happen anywhere and we should all strive to be lifelong learners. We will be exploring mele and dance that highlight the importance of our learning, not just in traditional spaces; but honoring the spaces in which learning can happen anywhere and valuing what we learn.

Attire: Grade level teachers will send information home via class Shutterfly accounts or Divisional Weekly per May Day attire.

Lei: Except for 8th graders, all performing students should bring fresh flower lei to wear; unless otherwise specified by grade level teacher.

All: Bare feet will be permitted during the performances.
Water bottles, sunscreen, and hats advised.

Donations: We will be accepting foliage donations from Monday, April 29th on the upper campus in front of the Administration building. We are looking for: Ti (stalk or individual) Monstera, Laua`e, Areca Palm, Raphis Palm, small Loulu Palm, Song of India and Tropical flowers (any).
