Do you love Italy? Have you visited or plan to visit Italy? Maybe you already know a little or even quite a bit of Italian? Maybe you've never even thought about learning Italian before, but now you want to try something new? Then this club is for you!! We will play games, learn songs, read books, make up skits, and figure out how we each can make optimal progress in "la bella lingua."

This is an introduction to Italian Club for all levels and ages of Italian enthusiasts. With demonstrated interest this year, we hope to offer more Italian opportunities again next year.\*

Our club leader will be Iolanda Marinelli, a native Italian speaker from Naples, current resident of Kailua, and experienced teacher of Italian. Iolanda will inspire us to set and achieve our language learning goals, providing us with rich and diverse input, building on what we already know about Italian and possibly other Romance languages. Please fill out the linked [form](#) and indicate which classes you plan to attend.

For questions, please contact Iolanda Marinelli directly at [iolanda.marinelli@gmail.com](mailto:iolanda.marinelli@gmail.com) / 808.393.6984.

\*If you are unable to attend this month but are interested for next year, please indicate your interest on this [form](#).
