INTRODUCTION

The Lower School (Kindergarten – Fifth Grade) offers additional enrichment activities after school twice a year in August and January. This catalog lists Winter/Spring semester's activities, including non-After School Activities affiliated clubs, like E-Club or Reading Club. Instructions on registration, payments, course description, and more can be found inside. Activities are organized by the Extended Day department.

The Junior School offers a variety of afterschool activities, such as basketball, soccer, golf, and more. The weekly classes are offered on a fee-for-service, first-come, first-served bases, starting in October. Registration Forms for the Fall session are emailed to parents in September, Winter Registration Forms are emailed in December, and Spring Registration Forms are emailed in March. Payment is made directly to the Vendors and not to the school. Activities are organized by the Junior School.

The Middle School also offers a variety of afterschool activities. The Middle School office will notify parents in the weekly newsletters. Unlike the Lower School, Middle School parents sign up directly with the Vendor/Instructor/Coach. However, any Middle School courses found in this catalog, parents have the option to use our Google Form or contact the Vendor/Instructor/Coach directly. Due to the concerns of the safety of our students, we ask Lower School parents to sign up using our Google Form only.

Activities are listed in alphabetical order and in the same order it will appear on the Google Form.

Registration and Payment

Registration will open on December 11, 2019 and end on December 18, 2019. A link to a Google Form will be available on the LJA's After School Activities website. ASA does not accept any other registration form (i.e.: verbal, written, or from Vendors). Instructions are down below on what parents need to do if they missed the enrollment period.

The registration process:

Registration Form. Fill out the online Registration Form. One form per child. By clicking submit, you have read and agreed with the ASA and Vendors 2019 - 2020 policies and procedures, including withdrawal, Wait List, course change, and refund policies. An outline of all policies is available in this Catalog.

Course Selection. Select the activities your child would like to enroll in. If you are unsure between two classes, ASA suggests enrolling in both, to ensure your child's spot is recorded or in the event, one of your choices is full.

Submit Application. After you submit the application, your answers will be recorded with a timestamp. The ASA office will notify Vendors of their Class List (including the timestamp). It is the Vendors' responsibility to notify parents of the following: payment, Wait List, or Class cancellation due to low

enrollment. Payment is made directly to the Vendors and not to the school. Any mistakes made on the form can be corrected by emailing afterschool.activities@lejardinacademy.org. Any questions regarding Wait List, payment, etc. will be forwarded to the Vendors. Or parents can email the vendors directly.

Submit Payment. Please see the Course Description (starting on page 6) for payment instructions and cost. Or parents can email the Vendor directly.

Registration Changes/Withdrawal. Any changes to the registration, including withdrawing, can be emailed to afterschool.activities@lejardinacademy.org. Any changes need to be in writing.

Missed the Enrollment Period. After December 18th, Instructors are allowed to accept enrollment directly from the parents, depending on availability. When the child is accepted, the parents must email afterschool.activities@lejardinacademy.org, so we can properly notify the LS Homeroom teacher, LS Principal, LS Vice-Principal, the Front Desk, and Extended Day teachers to make sure students are sent to the correct location. The email must contain the following:

1. Student's name & grade level
2. After School Activities—include the day (i.e.: Mondays) and the start time
3. Homeroom teacher's name
4. Is your child in Extended Day?
5. Do we need to add the Instructor or Coach's name to the "Authorized to Pick Up" list? If yes, their name and phone number?

Parents can ask Instructors to email ASA; however, the above list would still need to be provided.

Registration Confirmation

After pressing "Submit" on the ASA Enrollment Form, an automatic window will open, confirming that the form's answers are recorded. We suggest parents click on the "Response Receipt" option, so parents can have a copy of their responses. This window will not only confirm the submission of your answers but also instructions on how to submit changes and ASA contact information.

Registration Confirmation only guarantees the request for a child to be in a particular activity. This confirmation does not mean your child is guaranteed enrolled in his/her desired activity. However, this confirmation shows the vendor the student's interest to join the class. A separate confirmation, sent from the Vendor, will finalize whether or not your child is in the class.

Tuition

The cost of each activity can be anywhere from \$25 - \$500. Depending on the activity, additional cost, like supplies, may apply. To know the exact amount, please see "Course Description."

Parents who submit payment before registering their child through the ASA's Google Form does not guarantee a saved spot on the Class List. Parents who choose to submit payments before registering aren't guaranteed a full refund if or when their child is placed on a Wait List or unable to enroll in the class (please see Course Description for Vendor's Payment and Refund policies, and Terms and Agreements). To avoid this situation, ASA highly encourage parents to enroll as soon as enrollment opens and wait until the Vendor or Instructor contacts parents with an invoice. ASA will follow the Vendor's Refund Policy as such and are not liable.

Registration/Enrollment Changes

Any changes to your registration form, including withdrawing or adding to a class, please email the ASA office (afterschool.activities@lejardinacademy.org). Verbal communication will not be accepted.

Withdrawal/Refunds

For the Vendor's Refund Policy, please see "Course Description," or parents can contact the Vendors directly.

For withdrawal from a class you have **not** paid, please email the ASA office (afterschool.activities@lejardinacademy.org).

For withdrawal from a class that **is** paid, please see the "Course Description," for the Vendors' withdrawal policy, or contact the Vendors directly.

School Policies

Wait List Policy

ASA's Wait List Policy requires the Vendor to communicate, in writing, to the parents whose child has been placed on a Wait List. If or when a spot is available, again, it is up to the Vendor to communicate, in writing, to the parents. Any questions from parents regarding a Wait List will be forwarded to the Vendor. ASA is responsible for notifying Vendors when their class is full. ASA is not responsible for notifying or confirming with parents when their child is placed on a Wait List.

To find out Vendors' Wait List Policy (i.e.: dates of notification or method of notification), and it is not stated in the "Course Description," please contact Vendors directly.

Absent, Cancellation, & Class Make Up Policies

In the event that your child will be absent, please contact the Vendor directly. Parents are welcomed to email the ASA office; however, we cannot guarantee that ASA will be able to communicate that message to the Vendors in a timely manner.

In the event the class is canceled due to low enrollment, the Vendor will notify the parents of the cancelation and instructions on refunds (if applicable).

In the event a class is canceled due to poor weather or teacher illness, the Vendor will email parents at least two hours in advance. This email will also include instructions on the date and time of a make up class (if applicable).

For more details on Class Make Up Policy, please contact the Vendors directly.

Arrival & Extended Day Care

Between the time of Dismissal and the start of the activity, parents and Vendors need to coordinate the checking in process of the student. Students between K – 1 are not allowed to walk alone on our campus. Students 2nd and Up are allowed to walk in pairs or groups on campus.

If the students go to Extended Day before their activity starts, an authorized adult (over the age of 15) needs to escort the student to the activity. Please add the escort's name, relationship (i.e: sibling, Soccer Coach, Origami teacher, etc) and phone number to the child's "Authorized to Pick Up List." Extended Day is not allowed to escort students to their after school activities.

Some Vendors offer after dismissal care, where they will pick up your child from his/her homeroom or Extended Day classroom. To find out if the Vendor offers this service, please contact the Vendor directly.

Dismissal

Under the "Course Description" section, Vendors have provided a start and end time. Vendors and parents are expected to be on-time at the pick-up location. Communication on the pick-up location should be discussed and agreed upon between Vendors and parents, prior to the beginning of the school year. Under no circumstances can students be left alone at the Loop, Front Office, or on campus, while waiting before or after their activities.

If your child is enrolled in Extended Day, parents can ask the Vendor to drop their child at Extended Day. If the Vendors are unable to drop off the student at Extended Day, parents would need to pick up their child after the after school activity's dismissal. Extended Day is not allowed to pick up or drop off any students.

Snacks & Drinks

Please provide additional snacks and a reusable water bottle. Snacks should be nutritious and not excessively sweet (i.e.: cupcake with heavy frosting or glazed donuts). If your child will be outside or involved in a physical endurance activity, you may provide a sport drink with electrolytes in addition to a reusable water bottle. Vendors will state in the “Course Description” whether snack is provided or needs to be provided.

Non-ASA Affiliated Clubs

Non-ASA Affiliated Courses are non-profit clubs, like but not limited to CSAL, Environmental Club (E-Club), Reading Club, etc. Besides being non-profit, these clubs require special enrollment requirements, like try-outs. Enrollment instructions can be found under “Course Description”. If not, please email the vendor directly. The purpose of including such clubs in the ASA Catalog is for parents to have an all-encompassing overview of all the things students can participate in.

Black Out Dates

Black Out Dates are days when there are no after school activities due to a special event (i.e.: LS Family Fun Night), campus closure (i.e.: PDD), or holidays.

Under each activity, there will be a list of dates when there is no class and the reasoning. The Black Out Calendar is provided (see Appendix A).

We ask Vendors to notify parents in a timely manner when a Black Out date is coming.

Love the Sea Creating with Marine Debris

CALLING CREATIVE OCEAN LOVER ENVIRONMENTALISTS! Have fun and feel great using micro plastics and marine debris to create some cool art projects and jewelry pieces. By repurposing this debris that has been collected from our local beaches as a medium to create art, we can be a part of the movement to protect our oceans and our earth.

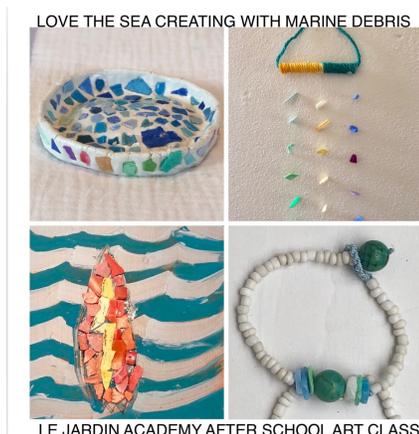

All material used to create projects has been cleaned thoroughly by the instructor. Students are encouraged to do their own beach clean ups and bring clean plastic and debris to the first class. Dish soap and hot water work great! To view the Instructors' work, please check out her Instagram and Facebook: @Staceyjewelry. No class on 3/25 (Spring Break).

Additional Equipment: Cost includes materials, supplies, and bamboo straws. Jewelry findings will be sterling silver as many people are allergic to base metals. Any extra finish work will be done by instructor at her studio. Please note that the marine plastic and debris has been cleaned and scrubbed very thoroughly to get the "crud" off. I use the same materials for my classes as I use for my pieces that are sold retail.

Payment Policy: Cash, Check, Credit Card, or Online Payment. Please make checks payable to Stacey Garmshausen and mail to 60 N. Kalaheo Ave., Kailua, HI, 96734. For all other methods of payment, please email the Instructor for instructions. Your child's spot will be reserved when tuition is received. We will email you with a confirmation and invoice. Returned checks have a \$35.00 penalty fee.

Dancers in Nā Mele Hula Ensemble will learn and re-learn a variety of Polynesian cultural dances, created and taught in the past by Aunty Ka'ai. Our future goal for our ensemble is to have a repertoire of dances to perform live as a Polynesian show.

We will also continue the traditions of making costumes together for each performance with family participation. Special hula pa'u skirts will be custom ordered for our group in which the dancers will keep as their personal performance skirt. Costs for the skirts are included in the tuition. Reading Club (5th Grade only)

According to the Scholastic website, “Fifth grade reading is a period when children are reading more fluently and thinking more deeply about what they’re reading than ever before. They’ll be challenged to read independently from textbooks and to consider plot and theme in novels”. In order for the student to understand the components of a novel, like the protagonist, rising action, climax, and denouement (French word for resolution), the student needs to read. The Reading Club will give students the comfortable space, access to books, and agency to read and ask questions.

The 5th grade Reading Club is a yearlong program that only accepts students in the FIRST TERM (Fall).

Disclaimer: at the time of production, ASA was unable to collect the proper information regarding the Reading Club, as well as an exact confirmation that we will be having the Reading Club this year. If Reading Club is offered this year, the option to enroll will be on the Enrollment Form (google form). Dates, times, day, and number of available spots are based off last year and are subject to change. The page was written by the ASA office.

Additional Equipment: Any Equipment that will help the student read (i.e.: reading glasses, a light jacket, a snack, etc).

Payment Policy/Refund Policy: N/A

Terms & Agreements: Due to the limited space, the Reading Club does not offer a Wait List. In January 2020, if you would like to see if a spot is opened, please email the Instructor. *The Reading Club ends before 5th Grade Exhibition; therefore, an exact date will be given in Second Term (Spring).

Wild Kids Hawaii

Wild Kids (WK) offers six-week sessions throughout the year and often times have different start and end dates than other school activities. Twice a week after school for two hours, we explore the land adjacent to campus and enjoy mud slides, scavenger hunts, hiking, tree climbing, making up games, building shelters, creating nature-based art, camouflage activities, scouting for trails, tracking birds, and searching for the magical forest elves known as “Little Greenies.” In addition to our after school adventures, we invite families and friends to join us on three different weekend excursions, including various hikes on the island, snorkeling with marine biologists, and community service projects that are centered around sustainability. To culminate each session, we host a family camp-out at Ho’omaluhia Botanical Gardens in Kaneohe.

Wild Kids seeks to foster a community of adventurous individuals who value “wilderness” in the natural world, in each other, and within themselves. Our goal is to provide students an opportunity to unplug and reconnect with their inner-wild-child in the wild jungles of Hawai’i. We hope to impart a lifelong conservation ethic and a profound appreciation for the preservation of wilderness areas on this planet because open space, dark nights, and quiet moments are necessary for our survival as human beings.

Registration and payment are done on the Wild Kids website (thewildkidscommunity.org). Please visit website to register for the session and make payments. A payment plan may be available on an individual basis, please email WK directly to inquire about payment options. Registration is on a first come, first serve basis.
