What is the Annual Giving Campaign?

The Annual Giving Campaign is Le Jardin Academy’s most important yearly fundraising drive. Beginning July 1st and ending June 30th, Board of Trustees, parents, employees, grandparents, alumni, and friends are asked to make a gift to the school. Funds raised directly benefit students by supplementing the 9% of Le Jardin Academy’s operational costs not covered by tuition. A thriving Annual Giving Campaign allows the school to not only manage tuition growth, but to further improve its programs and facilities and continue to develop as one of Hawaii’s premier schools. It is the MOST BENEFICIAL GIFT you can make for our students.

Why Give?

Ensures Continued Success
Last year, Le Jardin Academy celebrated many accomplishments. We were certified as an International Baccalaureate World School, making Le Jardin Academy the first and only Pre-Kindergarten through 12th Grade IB World School in Hawaii. We also commemorated our 50th Anniversary with a luau featuring the Makaha Sons and Henry Kapono and a recognition ceremony at the State Capitol. Le Jardin Academy also graduated its sixth class of seniors, with 100% of the class pursuing higher education at colleges all over the world. A vigorous Annual Giving Campaign helps ensure that Le Jardin Academy continues to achieve such accomplishments and success.

Helps Obtain Additional Funding
In order to qualify for large gifts from major foundations and individuals, Le Jardin Academy needs strong Annual Giving Campaign support from our Board of Trustees, parents, employees, grandparents, and alumni. Every gift, big or small, not only funds our students’ education, it makes a real difference in the level of funding that we receive from those outside Le Jardin Academy’s family.

Facilitates Progress
To make the dream of a High School a reality, Le Jardin Academy took out a loan to pay for the construction of the High School building, library, and gymnasium. Gifts to the Annual Giving Campaign help pay off this debt so that Le Jardin Academy can further enhance its learning environment and move forward with other capital improvement projects.

The Annual Giving Campaign funds the following:

- financial aid and scholarships
- competitive salaries and professional development
- classroom and program expenses
- facility maintenance and enhancements
- overall support services
