INTRODUCTION

The Lower School (Kindergarten – Fifth Grade) offers additional enrichment activities after school twice a year in February and June Pre-Covid. This catalog lists classes offered February - May pending LJA moves back to a Level 1 plus. Instructions on registration, payments, course description, and more can be found inside. Activities are organized by the Extended Day department.

Classes will have very limited space with small group sizes. All activities will be held in outdoor spaces including lanai's and tented outdoor learning areas with the exception of basketball and volleyball which will be held in the gym and robotics which will be held in the Wang auditorium. Students will be in mixed grades when attending after school activities. ASA will adhere to the safety protocols for [LJA current risk response level](#).

The Junior School offers a variety of afterschool activities, such as basketball, soccer, golf, and more. The weekly classes are offered on a fee-for-service, first-come, first-served basis. Dates for the second session are March 22- May 28, 2021. Please contact the Junior School for more information. Registration Forms for the sessions are emailed to parents. Payment is made directly to the Vendors and not to the school. Activities are organized by the Junior School.

The Middle School office will notify parents in the weekly newsletters if activities become available. Unlike the Lower School, Middle School parents sign up directly with the Vendor/Instructor/Coach. However, any Middle School courses found in this catalog, parents have the option to use our Google Form or contact the Vendor/Instructor/Coach directly.

Activities are listed in alphabetical order and in the same order it will appear on the Google Form.

Registration and Payment

These dates are subject to change pending LJA COVID-19 Risk Response Level 1 plus. **Registration will open on January 26, 2021 at 4:00 p.m. and end on February 4, 2021 at 4:00 p.m.** A link to a Google Form will be available on the LJA's After School Activities website. ASA does not accept any other registration form (i.e.: verbal, written, or from Vendors). Instructions are down below on what parents need to do if they missed the enrollment period.

Registration Form. Fill out the online Registration Form. One form per child. By clicking submit, you have read and agreed with the ASA and Vendors 2020 - 2021 policies and procedures, including withdrawal, wait list, course change, and refund policies. An outline of all policies is available in this Catalog.

Course Selection. Select the activities your child would like to enroll in. If you are unsure between two classes, ASA suggests enrolling in both, to ensure your child’s spot is recorded or in the event, one of your choices is full.

Submit Application. After you submit the application, your answers will be recorded with a timestamp. The ASA office will notify Vendors of their Class List (including the timestamp). It is the Vendors’ responsibility to notify parents of the following: payment, Wait List, or Class cancellation due to low enrollment. Payment is made directly to the Vendors and not to the school. Any mistakes made on the form can be corrected by emailing afterschool.activities@lejardinacademy.org. Any questions regarding Wait List, payment, etc. will be forwarded to the Vendors. Or parents can email the vendors directly.

Submit Payment. Please see the Course Description (starting on page 6) for payment instructions and cost. Or parents can email the Vendor directly.

Registration Changes/Withdrawal. Any changes to the registration, including withdrawing, can be emailed to afterschool.activities@lejardinacademy.org. Any changes need to be in writing.

Missed the Enrollment Period. After February 4, 2021, Instructors are allowed to accept enrollment directly from the parents, depending on availability. When the child is accepted, the parents must email afterschool.activities@lejardinacademy.org, so we can properly notify the LS Homeroom teacher, LS Principal, LS Vice-Principal, the Front Desk, and Extended Day teachers to make sure students are sent to the correct location. The email must contain the following:

1. Student’s name & grade level
2. After School Activities—include the day (i.e.: Mondays) and the start time
3. Homeroom teacher’s name
4. Is your child in Extended Day?
5. Do we need to add the Instructor or Coach’s name to the “Authorized to Pick Up” list? If yes, their name and phone number?

Parents can ask Instructors to email ASA; however, the above list would still need to be provided.

Registration Confirmation

After pressing “Submit” on the ASA Enrollment Form, an automatic window will open, confirming that the form’s answers are recorded. We suggest parents click on the “Response Receipt” option, so parents can have a copy of their responses. This window will not only confirm the submission of your answers but also instructions on how to submit changes and ASA contact information.

Registration Confirmation only guarantees the request for a child to be in a particular activity. This confirmation does not mean your child is guaranteed enrolled in his/her desired activity. However, this

confirmation shows the vendor the student's interest to join the class. A separate confirmation, sent from the Vendor, will finalize whether or not your child is in the class.

Tuition

The cost of each activity can be anywhere from \$25 - \$500. Depending on the activity, additional cost, like supplies, may apply. To know the exact amount, please see "Course Description."

Parents who submit payment before registering their child through the ASA's Google Form does not guarantee a saved spot on the Class List. Parents who choose to submit payments before registering aren't guaranteed a full refund if or when their child is placed on a Wait List or unable to enroll in the class (please see Course Description for Vendor's Payment and Refund policies, and Terms and Agreements). To avoid this situation, ASA highly encourages parents to enroll as soon as enrollment opens and wait until the Vendor or Instructor contacts parents with an invoice. ASA will follow the Vendor's Refund Policy as such and are not liable.

Withdrawal/Refunds

For the Vendor's Refund Policy, please see "Course Description," or parents can contact the Vendors directly. Under LJA reponse Level 2 operation is optional if able to socially distance 6 feet or more and separate by grade. Under a Level 3 vendors are required to provide one of the following: Prorated refund, credit, on-line class. Please see vendors withdraw policy.

For withdrawal from a class you have **not** paid, please email the ASA office (afterschool.activities@lejardinacademy.org).

For withdrawal from a class that **is** paid, please see the "Course Description," for the Vendors' withdrawal policy, or contact the Vendors directly.

School Policies

Wait List Policy

ASA's Wait List Policy requires the Vendor to communicate, in writing, to the parents whose child has been placed on a Wait List. If or when a spot is available, again, it is up to the Vendor to communicate, in writing, to the parents. Any questions from parents regarding a Wait List will be forwarded to the Vendor. ASA

is responsible for notifying Vendors when their class is full. ASA is not responsible for notifying or confirming with parents when their child is placed on a Wait List.

To find out Vendors' Wait List Policy (i.e.: dates of notification or method of notification), and it is not stated in the "Course Description," please contact Vendors directly.

Absent, Cancellation, & Class Make Up Policies

In the event that your child will be absent, please contact the Vendor directly. Parents are welcomed to email the ASA office; however, we cannot guarantee that ASA will be able to communicate that message to the Vendors in a timely manner.

In the event the class is canceled due to low enrollment, the Vendor will notify the parents of the cancelation and instructions on refunds (if applicable).

In the event a class is canceled due to poor weather, teacher illness or afterschool activity closure the Vendor will email parents at least two hours in advance. This email will also include instructions on the date and time of a make up class (if applicable).

For more details on Class Make Up Policy, please contact the Vendors directly.

Arrival & Extended Day Care

Between the time of Dismissal and the start of the activity, parents and Vendors need to coordinate the checking in process of the student. Students between K – 1 are not allowed to walk alone on our campus. Students 2nd and Up are allowed to walk in pairs or groups on campus.

If the students go to Extended Day before their activity starts, an authorized adult (over the age of 15) needs to escort the student to the activity. Please add the escort's name, relationship (i.e: sibling, Soccer Coach, Origami teacher, etc) and phone number to the child's "Authorized to Pick Up List." Extended Day is not allowed to escort students to their after school activities.

Some Vendors offer after dismissal care, where they will pick up your child from his/her homeroom or Extended Day classroom. To find out if the Vendor offers this service, please contact the Vendor directly.

Dismissal

Under the "Course Description" section, Vendors have provided a start and end time. Vendors and parents are expected to be on-time at the pick-up location. During this time parents remain in their vehicles and a vendor will escort your child to your car. Communication on the pick-up location should be discussed and

agreed upon between Vendors and parents, prior to the beginning of the session. Under no circumstances can students be left alone at the Loop, Front Office, or on campus, while waiting before or after their activities.

If your child is enrolled in Extended Day, parents can ask the Vendor to drop their child at Extended Day. If the Vendors are unable to drop off the student at Extended Day, parents would need to pick up their child after the after school activity's dismissal. Extended Day is not allowed to pick up or drop off any students.

Snacks & Drinks

Please provide additional snacks and a reusable water bottle. Snacks should be nutritious and not excessively sweet (i.e.: cupcake with heavy frosting or glazed donuts). If your child will be outside or involved in a physical endurance activity, you may provide a sport drink with electrolytes in addition to a reusable water bottle. Vendors will state in the "Course Description" whether snack is provided or needs to be provided.

Non-ASA Affiliated Clubs

Non-ASA Affiliated Courses are non-profit clubs, like but not limited to CSAL, Environmental Club (E-Club), Reading Club, etc. Besides being non-profit, these clubs require special enrollment requirements, like try-outs. Enrollment instructions can be found under "Course Description". If not, please email the vendor directly. The purpose of including such clubs in the ASA Catalog is for parents to have an all-encompassing overview of all the things students can participate in.

Black Out Dates

Black Out Dates are days when there are no after school activities due to a special event (i.e.: LS Family Fun Night), campus closure (i.e.: PDD), or holidays.

Under each activity, there will be a list of dates when there is no class and the reasoning.

We ask Vendors to notify parents in a timely manner when a Black Out date is coming.

Course Descriptions

Aunty Ka'ai's Hawaiian Culture & Dance Class

Aloha e nā Keiki! Come join our 2nd session of Hula! Let's dance and learn about the wonderful root culture of Hawai'i, under the Hawaiian shade with cool breezes flowing through our hair, the beautiful scenic views of Kailua, and the company of great friends who love to dance and sing as you! We will freshen up our dancing & singing skills with learning the basics of Hawaiian Hula and Haku Mele (song chant), along with the sharing of great mo'olelo (story telling) to build a connection to our Moku (district) of Ko'olaupoko. We will also learn a beautiful hula to perform for our families at home. Blackout Dates: 2/15(President's Day), 3/8(Professional Development Day), 3/15(Spring Break), 5/31(Memorial Day)

Space is limited to only 9 students, and it is first come first serve so please sign up online with ASA if you would like your child to be added to the list. There will be a waitlist available if class is full.

Payment Policy: Your child's spot will be reserved with a "Welcome to Class" email once tuition is received. Tuition is due no later than Feb. 15, 2021, which then if tuition payment is not completed then the next person on the waitlist will be notified. Online payment methods usually have automatic receipt confirmation via text or email. Manual receipts for class payment are by request only.

Swim: Island Swim School - Swim Lessons and Swim Club

Island Swim School offers caring, personal swim instruction to students in grades K-6. LJA's pool is saltwater, 25 meters long, and is generally heated to 82 degrees. Our 30 minute private/semi private (1-2 students per instructor for beginners and 1-3 for intermediates and above) lessons are scheduled at 3:00 and 3:30 on Mondays, Tuesdays and Thursdays. Our lessons are grouped for cautious beginners, confident beginners, intermediate and advanced swimmers. Our students start out experiencing water adjustment, body position and breath control. They are introduced to freestyle and backstroke, and progress to breaststroke and butterfly. Water safety is taught at all levels.

Students in Grades K and 1 will meet at the Garden near their classrooms after school and will be escorted to the pool. Students in Grade 2 and above may walk to the pool on their own. All swimmers will be supervised on the pool deck until their class begins. They are welcome to have a parent-provided snack and may read or talk quietly to a friend during this time. After class, children will be returned to Extended Day or brought out to the loop for pick up.

Island Swim School also offers Swim Club, an introduction to a swim team environment, with 4-6 students per instructor and a 50 minute class from 3:10-4:00 on Mondays and Thursdays. In Swim Club, we focus on stroke refinement and endurance. To participate in Swim Club (for grades 2-6) students must be able to swim 100 meters of freestyle, 25 meters of backstroke and have been introduced to breaststroke or butterfly. Swim Club and Swim Lessons are also offered on Saturdays. For more information, please contact Kathy Erwin at islandswimschool@gmail.com or call/text (808)-391-5284.

Blackout Dates: Monday, February 15(President's Day), Monday, March 8(Professional Development Day), Monday, March 15(Spring Break), Tuesday, March 16(Spring Break), Wednesday, March 17(Spring Break), Thursday, March 18(Spring Break), Friday, March 19(Spring Break), Friday, March 26(Prince Kuhio Day), Friday, April 30(May Day), Monday, May 31(Memorial Day)

Additional Equipment and Attire: Students should bring a swimsuit, towel, and a small snack for before and after swimming. Well-fitting goggles are recommended and caps are optional. Children who get cold easily may want to bring a wetsuit. We have some extra wetsuits on hand for our students. Students should wear clothing that makes it easy for them to dress independently. For after swimming, loose-fitting clothing is best. Leggings and strappy clothing are difficult to put on still damp bodies. A jacket might be helpful if going back to class or into an air-conditioned car after swimming. We are trying to minimize the use of common spaces in the locker rooms, but children are allowed to use the locker room and inside showers, if needed.

Registration and Payment Policy: Parents are welcome to sign up for one or more classes per week. After signing up online with the After School Activities Office, Island Swim School will send you a registration form and waiver via email. Please return these forms along with payment promptly to complete your registration. Confirmation of your completed registration and class assignment will be sent via email. Paperwork can be brought to LJA's front office or mailed to Island Swim School, 951 Kainui Drive, Kailua, Hawaii 96734. Payment options include cash, check or Venmo. For cash payments, please make arrangements with swim school staff. Checks can be mailed to the address above. Venmo payments can be made to [@katherine-erwin-2](https://www.venmo.com/@katherine-erwin-2). Please contact us anytime at islandswimschool@gmail.com. Mahalo!

Refund Policy & Missed Classes: We are happy to offer make-up classes or credit if for some reason we need to cancel class. This could happen if the school/ pool is closed for any reason, if there is lightning in the area, or if there is so much

rain that the lifeguard cannot see the bottom of the pool. We apologize that we cannot offer make-ups or refunds for missed classes. In the event of a long-term illness or injury of a student, we will work with the parents on a case by case basis.

Dismissal: Students in the 3:00 swim class should meet directly after dismissal at the Piko Garden outside the K Classrooms and will be escorted to the pool by swim school staff. Students in grades 2-5 may walk directly to the pool after dismissal. After class, children will be returned to Extended Day or brought out to your car by Swim School staff. Please note: Space is limited due to the small class sizes.

Yoga & Mindfulness for Kids

Join instructor Libby Myers for a playful, rejuvenating and relaxing series of yoga and mindfulness sessions. Kids will learn yoga poses, breathing techniques to cultivate calmness and mindfulness activities to develop awareness. We will begin a gratitude practice in journals, and make glitter (aka calm down jars)!

Yoga & mindfulness can improve both physical and mental health in kids, providing a physical activity that's non-competitive, playful and explorative, and fosters cooperation and compassion. When doing yoga, children exercise, play, connect more deeply with the inner self, and develop a relationship with the natural world that surrounds them.

The physical aspect of yoga improves balance, strength, endurance, flexibility and body awareness. The mental benefits provide tools that support the learning experience, such as self-reliance, creativity, determination, focus, and can

reduce anxiety and stress in children. Perhaps one of the greatest benefits, especially with the stressors of day-to-day life, is that kids gradually learn to regulate their reactivity to the ever-changing, external world.

Blackout Dates: Thursday, March 18, 2021 (Spring Break), Friday, March 19, 2021 (Spring Break), Friday, March 26, 2021 (Prince Kuhio Day), Friday, April 30, 2021 (May Day)

Please Bring: a towel, mat or blanket for the child to use on the ground, a small journal, a water bottle, and a light snack. Have the child wear comfy, loose clothing day of session and no dresses/skirts. Libby will provide materials for glitter bottles.

Payment Policy: Your child's spot will be reserved with a "Welcome to Class" email once tuition is received. Tuition is due no later than Tuesday February 9, 2021, which then if tuition payment is not completed then the next person on the waitlist will be notified. Online payment methods usually have automatic receipt confirmation via text or email. Manual receipts for class payment are by request only.d.

Contactless Payment Options are:

NON-ASA Affiliated Clubs: Course Description

Non-ASA Affiliated Courses are non-profit clubs, and LJA operated activities like but not limited to CSAL, Soccer Academy, etc. Besides being non-profit, these clubs require special enrollment requirements, like try-outs. Enrollment instructions can be found under the activity's "Terms & Agreements." If not, please email the vendor directly. The purpose of including such clubs in the ASA Catalog is for parents to have an all-encompassing overview of all the things students can participate in. Due to the on-going planning, some clubs do not have their dates, times, and locations at the time of publishing this catalog. NOTE: Environmental Club (E-Club) is a year long commitment. Unfortunately, there is no Wait List option for these activities.

Please check registration date and time on websites

Environmental Club (E-Club)

Le Jardin Academy's Environmental Club is a yearlong club that meets on Tuesdays from 3:00-3:45 p.m. E-Club's enrollment is a year long. No enrollment in the SECOND TERM. E-Club is for you if you are:

- In grades 3 - 5
- Passionate about our environment
- Able to work independently
- Not afraid of outdoor chores

E-Club is a sustainability program that teaches the necessity of preserving the environment, of valuing our resources, and being environmentally stewards and landscape managers.

Students will be responsible for maintaining Le Jardin's paddock, aquaponics system, and various gardens. Students will interact closely with a range of animals including chickens, roosters, goats, ducks, and turtles. Students will learn how to germinate, plant, and harvest a variety of vegetables and herbs. E-Club maintains worm bins as well as water, punne, weed, and fertilize the Lower School Native Hawaiian Plants garden.

If your family is interested in volunteering with club days or supervising a chore morning paddock duty, please contact Mrs. Lori (Shigehara) Praetorius.

Additional Equipment: Must have covered boots/shoes (we will get dirty)!

Cost/Payment Policy: Cost of program is for animal feed and maintenance of gardens. Checks Only. Please make checks payable to: Le Jardin Academy and state in the notes: "E-Club" and student's name.

Terms & Agreements: Priority will be given to students that have previously been enrolled in E-Club. There is no Wait List option.

Le Jardin Academy Wild Kids

Please check the website for registration date and time.

Our program is designed to offer students the freedom to make mistakes, create their own way (both literally and metaphorically), and hone their awareness of their surroundings, others and themselves. We specifically do not create structured lessons. Wild Kids is built around exploration, discovery and imagination. It is not a science class or an outdoor survival course.

After school for two hours we explore the land adjacent to Le Jardin Academy's campus and enjoy mud slides, scavenger hunts, hiking, tree climbing, making up games, building shelters, creating nature-based art, camouflage activities, scouting for trails, tracking birds, and searching for the magical forest elves known as "Little Greenies."

In Wild Kids, we encourage students to expand their comfort zones by trying new things and making mistakes. We firmly believe that the most solid self-confidence is built on the moments when we must rely on our own ingenuity and communication skills. For our program, this takes the form of teaching through questions and experience. We do not provide students with all of the answers, but guide them through their own problem-solving processes. This may include the following experiences: what to do with an invasive species, how to find the trail, how to build a shelter without man-made objects, how to identify a bird or plant, how to create a game that is safe but still fun, how to climb up a hill without creating erosion, how to keep everyone in the group safe, what to do if you get hurt, what to do about mosquitos, how to run in the forest without tripping, what to do when you make an unsafe choice, and a host of other conundrums that we may come across on our adventures. Allowing students to develop their own solutions and manage their own reactions is perhaps the most important lesson we provide.

2/15(President's Day), 3/8 (Professional Development Day), 3/15 (Spring Break), Tuesday, 3/16 (Spring Break), 3/17 (Spring Break), 4/18 (Spring Break), 3/19 (Spring Break), 3/26 (Prince Kuhio Day), 4/30 (May Day), 5/31 (Memorial Day)

Additional Equipment: Plastic Bag (for muddy shoes), old sheet or towels (for muddy kids). For weekday hikes packing list, please go to the Wild Kids' website under "Packing List & FAQs."

Payment Policy: Cost of session is \$380.00, which includes 13 after school adventures. Tuition may be paid online at time of registration or by check. If paying by check, please make checks payable to Le Jardin Academy and put WILD KIDS AFTER SCHOOL in the subject line, and mail checks to the Le Jardin Academy Business Office at 917 Kalaniana'ole Hwy Kailua, HI 96734

Terms & Agreements: Please register on our website at : thewildkidscommunity.org

Students are required to bring close toed shoes, water bottles, small backpack and a snack. Any student without shoes, backpack and water bottle will not be permitted into the forest. We will send more information and a complete packing list the week before Wild Kids begins. Your child's spot will be reserved when tuition is received. We will email session information and packing list the week before Wild Kids begins.

Refund Policy: No refunds after the first week of classes, except in emergency situations. We will give a prorated refund to everyone if LJA goes to distance learning and after school programs cease.
