INTRODUCTION

The Lower School (Kindergarten – Fifth Grade) offers additional enrichment activities after school twice a year in August and January. This catalog lists classes offered August - December. Instructions on registration, payments, course description, and more can be found inside. Activities are organized by the Extended Day department.

Classes will be held where social distancing is possible. Students will be in mixed grades when attending after school activities. ASA will adhere to the safety protocols for [LJA current risk response level](#).

The Junior School offers a variety of afterschool activities, such as basketball, soccer, golf, and more. The weekly classes are offered on a fee-for-service, first-come, first-served basis. Dates for the second session will be released to parents shortly. Please contact the Junior School for more information. Registration Forms for the sessions are emailed to parents. Payment is made directly to the Vendors and not to the school. Activities are organized by the Junior School.

The Middle School office will notify parents in the weekly newsletters if activities become available. Unlike the Lower School, Middle School parents sign up directly with the Vendor/Instructor/Coach. However, any Middle School courses found in this catalog, parents have the option to use our Google Form or contact the Vendor/Instructor/Coach directly.

Activities are listed in alphabetical order and in the same order it will appear on the Google Form.

Registration and Payment

Registration will open on August 3, 2021 at 11:00 a.m. and end on August 10, 2021 at 11:00 a.m. A link to a Google Form will be available on the LJA's After School Activities website. ASA does not accept any other registration form (i.e.: verbal, written, or from Vendors). Instructions are down below on what parents need to do if they missed the enrollment period.

Registration Form. Fill out the online Registration Form. One form per child. By clicking submit, you have read and agreed with the ASA and Vendors 2021 - 2022 policies and procedures, including withdrawal, wait list, course change, and refund policies. An outline of all policies is available in this Catalog.

Course Selection. Select the activities your child would like to enroll in. If you are unsure between two classes, ASA suggests enrolling in both, to ensure your child's spot is recorded or in the event, one of your choices is full.

Submit Application. After you submit the application, your answers will be recorded with a timestamp. The ASA office will notify Vendors of their Class List (including the timestamp). It is the Vendors' responsibility to notify parents of the following: payment, Wait List, or Class cancellation due to low

enrollment. Payment is made directly to the Vendors and not to the school. Any mistakes made on the form can be corrected by emailing afterschool.activities@lejardinacademy.org. Any questions regarding Wait List, payment, etc. will be forwarded to the Vendors. Or parents can email the vendors directly.

Submit Payment. Please see the Course Description (starting on page 6) for payment instructions and cost. Or parents can email the Vendor directly.

Registration Changes/Withdrawal. Any changes to the registration, including withdrawing, can be emailed to afterschool.activities@lejardinacademy.org. Any changes need to be in writing.

Missed the Enrollment Period. After August 3, 2021, Instructors are allowed to accept enrollment directly from the parents, depending on availability. When the child is accepted, the parents must email afterschool.activities@lejardinacademy.org, so we can properly notify the LS Homeroom teacher, LS Principal, LS Vice-Principal, the Front Desk, and Extended Day teachers to make sure students are sent to the correct location. The email must contain the following:

1. Student's name & grade level
2. After School Activities—include the day (i.e.: Mondays) and the start time
3. Homeroom teacher's name
4. Is your child in Extended Day?
5. Do we need to add the Instructor or Coach's name to the "Authorized to Pick Up" list? If yes, their name and phone number?

Parents can ask Instructors to email ASA; however, the above list would still need to be provided.

Registration Confirmation

After pressing "Submit" on the ASA Enrollment Form, an automatic window will open, confirming that the form's answers are recorded. We suggest parents click on the "Response Receipt" option, so parents can have a copy of their responses. This window will not only confirm the submission of your answers but also instructions on how to submit changes and ASA contact information.

Registration Confirmation only guarantees the request for a child to be in a particular activity. This confirmation does not mean your child is guaranteed to be enrolled in his/her desired activity. However, this confirmation shows the vendor and the student's interest to join the class. A separate confirmation, sent from the Vendor, will finalize whether or not your child is in the class.

Tuition

The cost of each activity can be anywhere from \$25 - \$500. Depending on the activity, additional cost, like supplies, may apply. To know the exact amount, please see “Course Description.”

Parents who submit payment before registering their child through the ASA’s Google Form does not guarantee a saved spot on the Class List. Parents who choose to submit payments before registering aren’t guaranteed a full refund if or when their child is placed on a Wait List or unable to enroll in the class (please see Course Description for Vendor’s Payment and Refund policies, and Terms and Agreements). To avoid this situation, ASA highly encourages parents to enroll as soon as enrollment opens and confirm your child’s enrollment with the Vendor prior to submitting payment. ASA will follow the Vendor’s Refund Policy as such and are not liable.

Withdrawal/Refunds

For the Vendor’s Refund Policy, please see “Course Description,” or parents can contact the Vendors directly. Under LJA reponse Level 2 operation is optional if able to socially distance 6 feet or more and separate by grade. Under a Level 3 vendors are required to provide one of the following: Prorated refund, credit, on-line class. Please see vendors withdraw policy.

For withdrawal from a class you have **not** paid, please email the ASA office (afterschool.activities@lejardinacademy.org).

For withdrawal from a class that **is** paid, please see the “Course Description,” for the Vendors’ withdrawal policy, or contact the Vendors directly.

School Policies

Wait List Policy

ASA’s Wait List Policy requires the Vendor to communicate, in writing, to the parents whose child has been placed on a Wait List. If or when a spot is available, again, it is up to the Vendor to communicate, in writing, to the parents. Any questions from parents regarding a Wait List will be forwarded to the Vendor. ASA is responsible for notifying Vendors when their class is full. ASA is not responsible for notifying or confirming with parents when their child is placed on a Wait List.

To find out Vendors' Wait List Policy (i.e.: dates of notification or method of notification), and it is not stated in the "Course Description," please contact Vendors directly.

Absent, Cancellation, & Class Make Up Policies

In the event that your child will be absent, please contact the Vendor directly. Parents are welcomed to email the ASA office; however, we cannot guarantee that ASA will be able to communicate that message to the Vendors in a timely manner.

In the event the class is canceled due to low enrollment, the Vendor will notify the parents of the cancelation and instructions on refunds (if applicable).

In the event a class is canceled due to poor weather, teacher illness or afterschool activity closure the Vendor will email parents at least two hours in advance. This email will also include instructions on the date and time of a make up class (if applicable).

ASA has reserved one week at the end of the session to offer makeup days. This is at the Vendors discretion. For more details on Class Make Up Policy, please contact the Vendors directly.

Arrival & Extended Day Care

Between the time of Dismissal and the start of the activity, parents and Vendors need to coordinate the checking in process of the student. Students between K – 1 are not allowed to walk alone on our campus. Students 2nd and Up are allowed to walk in pairs or groups on campus, students may not walk across the street to the soccer field.

If the students go to Extended Day before their activity starts, an authorized adult (over the age of 15) needs to escort the student to the activity. Please coordinate this with your child's after school activity vendor. Extended Day is not allowed to escort students to their after school activities.

Some Vendors offer after dismissal care, where they will pick up your child from his/her homeroom or Extended Day classroom. To find out if the Vendor offers this service, please contact the Vendor directly.

Dismissal

Under the "Course Description" section, Vendors have provided a start and end time. Vendors and parents are expected to be on-time at the pick-up location. During this time parents remain in their vehicles and a vendor will escort your child to your car. Communication on the pick-up location should be discussed and agreed upon between Vendors and parents, prior to the beginning of the session. Under no circumstances can students be left alone at the Loop, Front Office, or on campus, while waiting before or after their activities.

If your child is enrolled in Extended Day, parents can ask the Vendor to drop their child at Extended Day. If the Vendors are unable to drop off the student at Extended Day, parents would need to pick up their child after the after school activity's dismissal. Extended Day is not allowed to pick up or drop off any students.

Snacks & Drinks

Please provide additional snacks and a reusable water bottle. Snacks should be nutritious and not excessively sweet (i.e.: cupcake with heavy frosting or glazed donuts). If your child will be outside or involved in a physical endurance activity, you may provide a sports drink with electrolytes in addition to a reusable water bottle. Vendors will state in the "Course Description" whether a snack is provided or needs to be provided.

Non-ASA Affiliated Clubs

Non-ASA Affiliated Courses are non-profit clubs, like but not limited to CSAL, Environmental Club (E-Club), Reading Club, etc. Besides being non-profit, these clubs require special enrollment requirements, like try-outs. Enrollment instructions can be found under "Course Description". If not, please email the vendor directly. The purpose of including such clubs in the ASA Catalog is for parents to have an all-encompassing overview of all the things students can participate in.

Black Out Dates

Black Out Dates are days when there are no after school activities due to a special event

(i.e.: LS Family Fun Night), campus closure (i.e.: PDD), or holidays.

Under each activity, there will be a list of dates when there is no class and the reasoning.

We ask Vendors to notify parents in a timely manner when a Black Out date is coming.

Island Swim School - Swim Lessons and Swim Club

Island Swim School offers caring, personal swim instruction to students in grades K-8.

LJA's pool is a salt water 25 meter pool, and is generally heated to 82 degrees. Our 30-minute semi-private (1-2 per instructor for beginners and 1-3 per instructor for intermediate and advanced) swim lessons are scheduled at 3:00 and 3:30 on Mondays, Tuesdays, and Thursdays. Our lessons are grouped for cautious beginners, confident beginners, intermediate, and advanced swimmers. Our students learn water adjustment, body position and breath control, are introduced to freestyle and backstroke, and progress to breaststroke and butterfly. Safety techniques are taught at all levels.

We also offer Swim Club, which is an introduction to a swim team environment with 4-7 students per coach and a 55-minute class from 3:05-4:00 on Mondays, Tuesdays and Thursdays. To participate in Swim Club (generally for grades 2-8), students must be able to swim 100 yards of freestyle, 25 yards of backstroke and have been introduced to breaststroke or butterfly.

Swim Club and Swim Lessons are also offered on Saturdays. For more information, please contact Kathy Erwin at islandswimschool@gmail.com or 808-391-5284

Blackout Dates: Monday, September 6, 2021 (Labor Day), Monday, October 11, 2021 (Discoverers' Day), Tuesday, October 12, 2021 (Fall Break), Wednesday, October 13, 2021 (Fall Break), Thursday, October 14, 2021 (Fall Break), Friday, October 15, 2021 (Fall Break), Monday, October 25, 2021 (Professional Development Day), Thursday, November 11, 2021 (Veterans Day), Wednesday, November 24, 2021 (Thanksgiving Break), Thursday, November 25, 2021 (Thanksgiving Break), Friday, November 26, 2021 (Thanksgiving Break)

Additional Equipment and Attire: Students should bring a swimsuit, towel and a small snack for before and after swimming. Well-fitting goggles are recommended and caps are optional. Children who get cold easily may want to bring a wetsuit. We have some extra wetsuits on hand for our students. We ask that children wear clothing that makes it easy for them to dress independently. For after swimming, loose fitting clothing is best. Leggings and strappy tops are difficult to put on still damp bodies. A jacket might be helpful if going back to class or into an air conditioned car after swimming. Children who are going back to Extended Day will change in the locker rooms. We are trying to minimize the use of common spaces in the locker rooms, but all children are allowed to use the locker room and inside showers if needed.

Supervision after Dismissal: Students in the 3:00 swim class will meet directly after dismissal at the Piko Garden outside of the Kindergarten Classrooms and will be escorted to the pool by swim school staff. Students in Extended Day who have a 3:30 class will be picked up at 3:15 by swim school staff. Students in Grades 2-8 may walk directly to the pool after dismissal. Students who are waiting for their class on the bleachers will be supervised and are welcome to have a snack, read or talk to a friend. After class, children will be returned to Extended Day or brought out to meet their parents at the loop.

Registration and Payment Policy: Parents are welcome to sign up for one or more classes per week. After signing up online with the After School Activities Office, Island Swim School will send you a registration form and waiver via email. Please promptly return these forms along with payment to complete your registration. Confirmation of your completed registration and class assignment will be sent via email. Paperwork can be brought to LJA's front office or mailed to Island Swim School, 951 Kainui Drive, Kailua, Hawaii 96734. Payment options include cash, check or Venmo. For cash payments, please make arrangements with swim school staff. Checks can be mailed to the address above. Venmo payments can be made to [@katherine-erwin-2](https://www.venmo.com/@katherine-erwin-2). Please contact us any time at islandswimschool@gmail.com

Refund Policy & Missed Classes: Refunds prior to the start of the session are available until August 10th. We are happy to offer makeup classes, credits or refunds if for some reason we need to cancel class. This could happen if the school/pool is closed for any reason, if there is lightning in the area, or if there is so much wind or rain at the pool that the lifeguard/instructors believe it is unsafe to swim. We apologize that we cannot offer makeups or refunds for missed classes. In the event of a long term illness or injury of a student, we will work with the parents on a case-by case basis. .

uAchieve Learning Center Math Enrichment Program

uAchieve Learning Center will be offering individualized tutoring in math during the weekends at Le Jardin Academy. The first lessons will be used to determine which branches of math each student is familiar with and identify key skills that must be developed. From there, the remaining classes will follow an individualized lesson plan that builds upon the concepts each student already knows before introducing new and increasingly challenging concepts to prepare him or her for the future.

For students looking for standardized test preparation on the SAT, ACT and SSAT, these lessons can also be specialized to help students familiarize themselves with the types of problems they will likely see and ensure they can solve them in an efficient and timely manner.

Space is limited to only 9 students, and it is first come first serve so please sign up online with ASA if you would like your child to be added to the list. There will be a waitlist available if class is full.

At uAchieve, we are here to accommodate your schedule during the weekend, however hectic and unexpected it may be. During the school year, we offer a flexible study program to offer you flexibility in choosing the best days during the weekend and times for your family's needs. \$200 will give you 10 sessions to use at your discretion. Yoga, Meditation & Mindfulness for Kids!

Join instructor Libby Myers for a playful and relaxing series of yoga and mindfulness sessions. Kids will learn yoga poses, breathing techniques to foster calmness and mindfulness activities to develop awareness.

Yoga & mindfulness have been shown to improve both physical and mental health in kids providing a physical activity that's non-competitive, playful and explorative, and fosters cooperation and compassion. When doing yoga, children exercise, play, connect more deeply with the inner self, and develop a relationship with the natural world that surrounds them.

The physical aspect of yoga improves balance, strength, endurance, flexibility and body awareness. And the mental benefits provide tools that support the learning experience, such as self-reliance, creativity, determination, focus, classroom behavior and can reduce anxiety and stress in children. Perhaps one of the greatest benefits, especially with the stressors of day-to-day life, is that kids gradually learn to control their reactivity to the ever-changing, external world.

NON-ASA Affiliated Clubs: Course Description

Non-ASA Affiliated Courses are non-profit clubs, and LJA operated activities like but not limited to CSAL, Soccer Academy, etc. Besides being non-profit, these clubs require special enrollment requirements, like try-outs. Enrollment instructions can be found under the activity’s “Terms & Agreements.” If not, please email the vendor directly. The purpose of including such clubs in the ASA Catalog is for parents to have an all-encompassing overview of all the things students can participate in. Due to the on-going planning, some clubs do not have their dates, times, and locations at the time of publishing this catalog. NOTE: Environmental Club (E-Club) is a year long commitment. Unfortunately, there is no Wait List option for these activities.

Please check registration date and time on websites

Le Jardin Academy Wild Kids

Please check the website for registration date and time.

Our program is designed to offer students the freedom to make mistakes, create their own way (both literally and metaphorically), and hone their awareness of their surroundings, others and themselves. We specifically do not create structured lessons. Wild Kids is built around exploration, discovery and imagination. It is not a science class or an outdoor survival course.

After school for two hours we explore the land adjacent to Le Jardin Academy's campus and enjoy mud slides, scavenger hunts, hiking, tree climbing, making up games, building shelters, creating nature-based art, camouflage activities, scouting for trails, tracking birds, and searching for the magical forest elves known as "Little Greenies."

In Wild Kids, we encourage students to expand their comfort zones by trying new things and making mistakes. We firmly believe that the most solid self-confidence is built on the moments when we must rely on our own ingenuity and communication skills. For our program, this takes the form of teaching through questions and experience. We do not provide students with all of the answers, but guide them through their own problem-solving processes. This may include the following experiences: what to do with an invasive species, how to find the trail, how to build a shelter without man-made objects, how to identify a bird or plant, how to create a game that is safe but still fun, how to climb up a hill without creating erosion, how to keep everyone in the group safe, what to do if you get hurt, what to do about mosquitos, how to run in the forest without tripping, what to do when you make an unsafe choice, and a host of other conundrums that we may come across on our adventures. Allowing students to develop their own solutions and manage their own reactions is perhaps the most important lesson we provide.
