2020-2021 SCHOOL YEAR

Student Parking / Driving Rules:

OFFICE USE ONLY	
Date RCVD	_____
MODE	_____
<input type="checkbox"/>	Application Complete
<input type="checkbox"/>	Payment Rcvd
Reservation #	_____

- High School student parking is available with a valid drivers' license on a **first-come-first-served basis**. Seniors, who complete the parking agreement, will have priority placement in the parking lot near the High School Building.
- Annual or Semi-Annual parking reservations are purchased through the school's Business Office. **No reservations will be finalized without a COMPLETE application AND check or billing agreement for the semi-annual or annual amount.** All applications with payment will be date stamped accordingly.
- The parking permit tags are not transferable and must be clearly displayed on the front window of the vehicle at all times. Please list additional vehicles you may drive to school and notify the Administration if your vehicle information changes during the school year. All parking permits must be returned at the end of the school year. A \$10.00 fee will be charged for any unreturned or damaged permit tags.
- Only students with current parking permits are allowed to park on campus, in the **designated area fronting the high school building and in the designated area adjacent to the soccer pitch during school hours.** Student parking is not allowed by the high school portable classrooms, MS or LS during regular school day hours.
- Students who park on campus do so at their own risk. LJA will not be responsible for any damage that occurs to a student's vehicle. All claims for damages must be pursued personally by the student against the party/parties responsible.
- Any student vehicle parked without a permit tag or parked in an unauthorized area during the school day may be towed without notification and at the student's expense.
- **ALL traffic and safety signs must be followed.** The speed limit on campus is 10 mph and all state driving laws and license restrictions are to be followed. Students are **NOT** allowed to ride in or have students ride in the bed of their pickup trucks at ANY time on campus.
- Students are **NOT PERMITTED** to loiter (sit in, meet in, etc) in their vehicles during the school day. Students may return to their vehicles to retrieve items when needed and excused to do so by teachers, but they may not wait or have other students meet inside the vehicles during the school day including during lunch and other break times.
- LJA retains the right to withdraw a student's parking permit for violations of the driving or parking rules. **Refunds will not be issued.**
- **In addition to the above listed, all student conduct and driving rules/privileges requirements stated in the LJA Student/Parent Handbook will be followed.**
